## THE TURKISH CIGARETTE

REMEMBER—Turkish tobacco is the world's most famous tobacco for cigarettes.

*Anargyros*  
Makers of the Highest Grade Turkish and Egyptian Cigarettes in the World

**FIFTEEN CENTS**

### Everywhere—Why?

NO OTHER manufacturer ever offered a cigarette of Murad grade for less than 25 cents.

This is the HIGHEST CLAIM ever made for a 15-cent cigarette.

It means that Murad gives you almost double quality value for the money.

We say to our competitors:  
"You cannot deny this. You KNOW that it is true."

We say to the hard-to-satisfy cigarette smokers of America:

Judge for yourself—compare Murad with any 25 Cent Cigarette

LETTERS TO THE EDITOR

Serpents and Tigers, Etc.

Mr. Editor:—The prohibition philosopher of Plainfield, in his communication in yesterday's issue of The Times, says a number of startling things, the ultimate meaning and purpose of which I am not quite able to determine. After reading his article I laid down The Times in troubled mood, wondering whether he was in earnest or jesting. I finally decided that he was in earnest. The most charitable view I can take of his present mental condition is that he is still smarting because of the burial of his pet hobby in the recent election. Most men, when defeated two to one on a proposition of this kind, would naturally suspect that there are two sides to the question. That the Plainfield philosopher will never see but one side, however, is a foregone conclusion.

His play on the word "tiger," and the spirit in which he plays, reminds me of an incident in connection with the life of Dr. Stephen H. Tyng, while speaking in his Sunday school. He had told the children that in all of us there is an animal nature. "The liar," he said, "is a serpent, that creeps in secret and sinuous ways to strike with his fangs and poison with his virus. The angry child is a 'tiger' passionate and untamed." Then he gave out a hymn. The children did not make ready promptly, and began to sing in confusion and disorder. The doctor rapped sharply on the desk with a book, and gave vent to some strong talk. A little girl in the rear of the room, standing on the seat, pointed her finger at him and called out, "Tiger." I need not point the application, except to say, the tiger needs to be curbed in some prohibitionists as well as in some rum-sellers.

MY TIRED FEET ACHED FOR "TIZ"

Let Your Sore, Swollen, Aching Feet Spread Out in a Bath of "Tiz"

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, blunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk, and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25-cent box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.—Adv.

## WONDERFUL TALE OF AN ACTRESS

Struggled with Sickness and Discouragement; How Relieved.

Dayville, Killingly, Conn.—"I shall be glad to have every woman know what I know now, after using Lydia E. Pinkham's Vegetable Compound. Although I am only 24 years old, I have suffered for the past eight years. I hated the doctors, for a doctor told me to give up the stage where I was playing with my husband.

I had bearing down pains, my health failed me, and I could not work on the stage, and wasn't able to tend my baby or even get around myself. I was always downhearted and discontented with the world, and only lived for the sake of my little girl. The doctor said to move to some quiet little town away from the noisy city, and I might be able to live and feel well, so I went to Dayville in November. At that time I was so sick I could not walk around, and my husband kept house and I stayed in bed. One day in January I read your advertisement in a newspaper, and I sent for Lydia E. Pinkham's Vegetable Compound, and started taking it. Within two weeks time I was a different woman, could get around, and felt so good that it was a pleasure to do my housework. I felt contented and happy, and now am the picture of health, and am tempted to return to the stage. We appreciate my health as the most precious thing on earth."—Mrs. H. L. KLENNETT, Box 85, Killingly, Conn.

WATERBURY

Death of James Ennis, Civil War Veteran, Occurred Yesterday.

James Ennis passed away yesterday morning at his home at the Center of Bright's disease. He was 71 years old the 24th day of last December and was born in Richmond, the son of Mr. and Mrs. John Ennis. He was married to Miss Georgiana Wright. He was a member of Ezra Stetson post, G. A. R., having enlisted from Williston. Mr. Ennis is survived by three brothers and one sister: John Ennis of Marshfield, Robert Ennis of Essex, William Ennis of Boston and Mrs. Eliza Cutting of Cambridge. The G. A. R. service will be given at the house Sunday at 1:30 and the Masonic burial service at the cemetery. Burial is in the cemetery at the village.

The "White Cap Sisters," an organization of the graduate nurses in town, is the result of a very pleasant evening spent with Mrs. H. D. Hopkins at her home on Main street Wednesday evening. The officers are: President, Mrs. H. D. Hopkins; vice-president, Mrs. F. E. Steele, Jr.; secretary, Miss Rose Gibson; treasurer, Miss Teressa Crosby; while Mrs. S. L. Goodrich has charge of the district work. This organization asks for donations of sheets, pillow cases and baby clothes. They plan to go into homes where their work is needed for a nominal sum, not to take the place of the nurse who stays but to help out where needed. It is expected there will be a membership of nine at least. The need of a district nurse has been for a long time felt here and these are willing to give of their time for this work. During the delightful evening spent with Mrs. Hopkins the prize for making the best cap was awarded Mrs. Steele. A feast of good things was served in the refreshment line.

The entertainment which was to be given at the Methodist church this evening will be given Monday evening.

BERLIN

Good Entertainment Given Wednesday Evening.

Heavy snow, poor weather and bad roads did their best to lessen the attendance on Wednesday evening at the performance of "Mother Goose" of the primary classes of the Sunday school at the town hall, Berlin Corners. More than could have been expected were present and were well rewarded for their attendance. Miss Erna Hodges, assisted by Mrs. Jules Selina and Mrs. Bishop, had very carefully trained the children, who entered with zest into their work, and produced an entertainment of deserved merit. From the oldest to the youngest not yet five years of age, each and all sang and played to the admiration of their audience. Mrs. Wilber Brown presided at the piano. Arthur Brown and Miss Ruth Lounsbury added to the program by solos that were heartily applauded. Although from circumstance, the proceeds could not be large, yet a commencement was made in raising funds for the painting of the church, a much needed improvement, even for the better appearance of the vicinity, and one in which the whole community is interested. The young people have taken up this work and hope, with the assistance derived from subscriptions and by other means, to accomplish their object.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. This effort to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong licthia or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "biliousness" and that loopy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." Note how they "cleanse" the brain and how they "kick up" the spirits. At 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.
